The B Polite Song

Way down south
Is a world you know
That is warm and toasty,
But is covered in snow.
It's where true kindness is
Where B the penguin lives

Oh, I want to be like B and
Have good manners for all to see
I want to be like B, by
Showing kindness you and me
Spreading all the goodness
In my life...
I want to B Polite

You can get there
Almost anytime
Just follow the arrows
On the penguin sign
Please and thank you
Are the words to say
It's gonna be a great penguin day!

Oh, I want to be like B and
Have good manners for all to see
I want to be like B, by
Showing kindness you and me
Spreading all the goodness
In my life...
I want to B Polite

Remember politeness
As all penguins do
And manners will open
Many doors for you

Oh, I want to be like B and
Have good manners for all to see
I want to be like B, by
Showing kindness you and me
Spreading all the goodness
In my life...
I want to B Polite
I want to B Polite
